Grand Army of the Republic has ap-ted a committee with Martin Snyder pointed a committee with Martin Snyder at its head to investigate the recent Italian fintrace at Lefever Falls, in the Uster cement district, where a few days ago several Italians, who workes in the quarries, held an indepnation meeting over the New Orleans shooting, and out of revenge inisted an American flag to the top of the hotel and riddled it with bullets. The old veterans of Pratt post strongly denounced the outrage at a meeting held on Vedones-day night, and instructed the committee to ascertain whether if they were naturalized citizens and were still in the vicinity of Lefever Falls. After an investigation the matter will be placed in the hands of the matter will be placed in the hands of the district attorney to take such stops as he may deem proper. As the Italians who were implicated in the outrage were at once discharged by the quarry owners, it is believed that they will make rapid strides believed that they will make rapid strates for New York or some other haven of

you will see vehicles of every description leaving the city loaded with ladies, children and men wending their way to some of the various lakes near the city. Yesterday evening I noticed some parties returning who had large strings of very fine white perch and trout.

Switchmen Strike.

DENVER, COL., April 11.—The switch-men in the Burlington yards struck at 1:20 o'clock this morning. Since that hour a meeting of switchmen has been in session meeting of switchmen has been in session all night. The men were ordered out on the ground that the action taken by the Burlington at Lincoln and Omaha was un-fair. Not a wheel is moving this morning. The Burlington officials say they can get plenty of men to fill the vacant places.

Francis Joseph's Speech.

Vienna, April 11.—Emperor Francis
Joseph opened the session of the reichsrath to-day. His majesty in his speech
dwelt upon the desire for peace manifested
throughout Europe. He said that all European governments had given him assurances which denoted that peace was the
most essential object of their endeavors.

"This," he added, "combined with the
friendly relations now existing between the
reverse of Europe herifice the home that powers of Europe justifies the hope that peace will prevail for many years to come, thus enabling the members of the reichs-rath to continue their labors undisturbed by war or other sources of complications." In conclusion the emperor emphasized the urgent necessity of strengthening the budget, the equilibrium of which he said had seen successfully established. Finally the advising a system of direct taxation.

Iquique, April 11.—News is just received that Arica and Tacan are taken. The Tacan department is in the hands of the congress party, who now control all of Northern Chill as far south as Copiano. There is no lighting, the government forces having fied towards the frontier of Bolivia.

Buenos Ayres, April 11.—Chief Admiral Soller and several generals who, as cabled April 9, signed the manifesto against the Nitre-Roca coalition, have been arrested and imprisoned for so doing.

Rome, April 11.—It is now asserted by the newspapers that the Italian govern-ment has given the United States government until Wednesday, April 15, in which to make a reply to Rudini's last note.

The Labor Commission.

London, April 11.—The Times and Standard profess to be satisfied with the composition of the labor commission. The Telegraph is the only paper that actually praises the commission. The News thinks that the commission is unwieldy. It says that the government must be credited with an endeavor to represent all views, practical men prefer a small body as m likely to arrive at a useful conclusion.

DUBLIN, April 11.—A host of crown wit-nesses against Parnellite disturbers of the McCarthylte meeting were arrested at Carrick, on the Shannon, yesterday, for refus-ing to attend court proceedings.
